Macada Road
Bethlehem, Pa.

Greetings

We take pleasure in presenting to you our 1948 catalog of Tall Bearded Iris and trust that it will prove to be of interest.

Most careful thought has been given to the varieties which are grown and offered to our growing list of satisfied customers. Out of over two thousand recognized varieties, we have selected those offered and described in this booklet as most worthy of your consideration. Among the list are varieties which have made great names for themselves in the past years, others which recently became most popular and are in great demand by Iris Lovers everywhere. There are also the best of the new introductions created by the leading hybridizers of the country which have every indication of becoming real hits and the Iris "greats" of tomorrow. You can depend on each and every one, with ordinary care, to give most satisfying results in your garden.

LOCATION

Our Gardens are located on the south side of Macada Road, near and east of the Bath Pike, in the northern limits of the City of Bethlehem, Penna. Visitors are most welcome at all times during the blooming season. We hope that anyone living within easy driving distance will make an effort to see our Iris in bloom for they are far more gorgeous than words can describe. We expect that the peak of the blooming season this year will be from May 20th to June 1st.

SNOW FLURRY (Rees, 1939) E. 40"

This Iris will start the season for you with its blue tipped buds opening into many magnificent blue icy white frilled and ruffled blooms on tall stalks. One of the best whites and most fragrant—similar to orange blossoms. Slightly tender so should be planted in a sheltered location. A.M. 1941. \$1.50, 3 for \$4.00

SNOW KING (H. Sass, 1935) M.L. 38"

Very large flowers of pure white. Standards closed, falls broad and flaring. Rugged, hardy and a prolific bloomer. A.M. 1937. 35¢, 3 for \$1.00

SOLID MAHOGANY (J. Sass, 1944) M. 38"

SPINDRIFT (Loomis, 1944) M.L. 36"

Sea-shell pink with a tangerine beard which lights up within the flower with brilliant contrast. A new color break, which is bound to become most popular. A delicate and lovely creation. H.M. 1945. \$5.00 each, 3 for \$13.00

SPUN GOLD (Glutsbeck, 1940) M. 38"

One of the finest yellows introduced to date. It is a pure gleaming golden yellow self of plush-like texture with a rich golden beard. Has size, good branching and tall stems. Winner of the Dykes Medal for 1944. \$2.50 each, 3 for \$6.50

A rich, bright blend of copper, gold, red and old rose, with a striking violet blue blaze in the center of the falls. Heavy substance and broad, flaring falls. H.M. 1946. \$7.00 each

THE ADMIRAL (Hall, 1941) M.L. 35"

A clean, bright medium blue with unusually fine form. Flowers have exceptionally good substance and are able to withstand hot sun and rain. Vigorous and free flowering. \$1.00, 3 for \$2.50

THE RED DOUGLAS (J. Sass, 1937) M.L. 38"

A magnificent Iris of colossal size, deep rosy wine-red with velvet like texture. Orange beard. One of the most popular reds and most highly recommended. Always a big seller. Winner of the Dykes Medal in 1941. \$1.00, 3 for \$2.50

THE ORIOLE (Schreiner, 1947) M.L. 36"

A new Iris introduced last year. If you like strong contrasts in color this is your Iris. Standards are a goldenrod yellow, falls rich black-maroon, giving the general appearance of black and gold velvet. Most unusual. \$3.00 each

TIFFANY (H. Sass, 1938) M. 36"

One of the most popular plicatas. Soft yellow base color with deep rose stitching, heavier on the falls than on the standards. Large ruffled flowers. Visitors usually buy this Iris on sight. A.M. 1943. 3 for \$1.25

TOBACCO ROAD (Kleinsorge, 1942) M.L. 34"

A golden tobacco brown color. Rigid upright standard and stiff horizontal flaring falls gives this new Iris a crisp and smart effect and good substance and branching. Unique in color and form. Leads all tan and brown Iris in the Judge's Symposium for 1947. A.M. 1946. \$6.00

TOKEN (Hall, 1939) M.L. 38"

Most striking and outstanding as evident from the fact it was voted the No. 1 Iris by over one hundred Iris judges in 1940, 1941 and 1942 and has been well up on the best hundred list ever since its introduction. A "must" in everyone's collection.
